# Grading Policy

All grades will be given in Schoology and can also be located in PowerSchool.

**Summatives (60%):** This section of your grade will include tests, quizzes, and projects.

**Formatives (40%):** This section will include participating in class, warm-ups, exit tickets and classwork.

**\*Tests:** A test will be given at the end of each unit and occasionally in the middle of long units. A study guide will be provided before each test. Study guides may or may not be graded - guidance will come with each study guide. Students who score **below a 70%** may schedule a retake of the assessment. The higher of the two scores, up to 80%, will be entered into the gradebook.

**\*Final Exam:** The final exam will be administered at the end of the semester. It will cover all material from the entire course.

The final Exam will make up 5% of your final grade.

“Greatness is a process.”  
~ Emory “Vegas” Jones

## WE GOT THIS!

# Course Outline

**Unit 1:** One-Variable Statistics

**Unit 2:** Linear Equations, Inequalities, and Systems

**Unit 3:** Two-Variable Statistics

**Unit 4:** Functions

**Unit 5:** Introduction to Exponential Functions

**Unit 6:** Introduction to Quadratic Functions

**Unit 7:** Quadratic Equations

# Virtual Norms

## During our “REMOTE” online learning...

1. Remember to check your work and get a good night's **R**est!
2. Make sure your **E**nvironment is comfortable and free from distractions, including food and drink.
3. **M**icrophones should be muted and volume should be on when in a video conference call.
4. **O**rganization is key: make sure your computer is charged and your materials, supplies, and passwords are close by!
5. **T**imeliness is important: arrive to class early and turn in your work on time. Take short frequent breaks to rest your eyes away from the screen.
6. **E**ducation means asking questions!!

# Materials

## At home:

1. Pencils
2. Illustrative Math Workbook (assigned at the start of the school year)
3. Notebook paper
4. Highlighters (optional)
5. Colored pencils (optional)
6. Laptop (or other technology)
7. Internet access

## Online Resources:

**Illustrative Math:** This is our Algebra I curriculum. Each student will have their own individual workbook and login to the online platform to supplement their learning.

**Schoology:** This will be our online learning management system. Each student will be responsible for checking this daily!

# Late Work?

I BELIEVE THAT, ULTIMATELY, THE LEARNING IS MORE IMPORTANT THAN ANYTHING ELSE. THAT SAID, LATE-WORK IS ALLOWED IN UPON THE FOLLOWING CONDITIONS:

All missing, missed, or late assignments will have a **0** in the gradebook until they are submitted. Any assignments a student refuses to complete will receive a grade of **0.01** in the gradebook. Students will be able to submit missing work **until the end of the unit.**

*All assignments are posted daily on Schoology for you to access away from the classroom!*
