

Foundations of Technology

Mr. Dajani

Schoology Class Code: (SEE SCHEDULE)
 Google #:443 -362-0509

Email: dajanim@dcpsmd.org

What We Will Learn

This course sets the foundation for problem solving. you'll learn how to create and share the content on your own web pages. The Foundations of Technology course prepares students to understand and apply technological concepts. Group and individual activities engage students in creating ideas, developing innovations, and engineering practical solutions.

Grading Policy

At the start of each section or unit, you'll get a list of learning goals. Grading will be a combination of formative assessments and summative assessments that align with DCPS Policy on Grading. I'll provide feedback when you are struggling to master a learning objective & you'll get a chance to continue working toward mastery.

Accessing the Curriculum

This class has no textbook. Instead, all curriculum is online .You can get to the assignments through Schoology. I will use Schoology to assign work and post announcements & will link it to other resources. Whether learning at home or in the classroom, your laptop/ internet will be one of your key resources.

Staying Connected

The best way to stay connected is by logging onto Schoology daily & following instructions there. If you are learning from home & are ever struggling with figuring out the instructions or what you are to do, I will be available by email & am also happy to set up a Google Meet to talk you through anything you're confused about. If you need help, just ask:)
